DEMONSTRATION MATERIAL - NOT AN APPROVED SYLLABUS

Explore a lesson, try an activity, and check your understanding.

Learn

Read the lesson material and identify its main idea. Use the text companion whenever you prefer a readable text version.

Activity

Write a short explanation of one idea in your own words. In the learning workspace, mark the activity complete after doing the work.

Quiz

Submit your answer when ready. A quiz is marked submitted by the server; marking an activity complete does not create a quiz grade.
